**STAFF'S NOTICE OF ERRATA AND
MOTION TO SUBSTITUTE DOCUMENTS**

On March 2, 2006, Staff submitted its Staff Report and Recommended Opinion and Order in this docket. The Staff Report was filed in redacted form, since certain information provided by the Applicant is subject to the provisions of a Protective Agreement between the Applicant and Staff.

Appendix B to the Staff Report is entitled, "Sensitivity Analysis of Cost Components in Transwestern and El Paso Service." The sensitivity analysis consists of several pages, including significant redactions as a result of the confidential nature of information detailed in those pages. Unfortunately, through inadvertence, one line of necessary redactions was not made. Specifically, on the second page, entitled, "Sensitivity Analysis for APS' Comparison of Transwestern and El Paso Costs - Varying El Paso Rates," the line entitled, "Reservation Charge," was erroneously included when it should have been redacted.

Accordingly, Staff submits this Notice of Errata. Attached to this Errata is a properly redacted version of the referenced schedule. Staff further requests that the fully redacted page be substituted in the record for the version that was inadvertently submitted with the initial Staff Report filing. Staff further requests that the Commission recognize that the information inadvertently disclosed remains confidential and is not within the public domain as a result of its erroneous disclosure. Should any Party believe that the information is not proprietary or trade secret, or

1 otherwise seek public disclosure of the information, that Party should be required to submit a Motion
2 to that effect and abide by any ruling on such Motion.
